

# GRANDEZZA

## 23 OC

DESIGNED TO IMPRESS

The Grandezza 23 OC is sporty and luxuriously classy. High quality upholstery fabrics and space on the dash for the latest electronic devices are all standard on the Grandezza 23 OC. The benefit of the front entrance is that it gives easy

and safe access for berthing at a jetty or landing on the shore. Although principally designed as a day cruiser the 23 OC can be converted to provide occasional overnight accommodation for 4 people.
