

Bayliner 185 Bowrider

BAYLINER
SO WORTH IT!

Standard Seating

Sport Seating

- a** Beam-forward design with high gunnels provides more passenger space, under-seat storage and safety.
- b** Standard integrated platform and optional platform extension create the ideal staging area for watersports or to simply enjoy in-the-water social time.
- c** Available Flight Series or Fishing Package can customize the 185 to suit your family's needs.
- d** Optional 4.3L Mercury sterndrive powerplant propels this "rocket" to more than 50 mph.
- e** Updated helm design with new sport steering wheel and easy-to-read, multi-functional gauges.

Bayliner 185 Bowrider

BAYLINER
SO WORTH IT!

FEATURES/BENEFITS

- Add the Flight Series Package to the 185 for an all-in-one upgrade that gets this Bowrider ready wakeboard.
- Optional Innovative motor box table available only on the Standard Seating Configuration affords a stable place for family lunch on the water.
- Stow everything from life jackets to ski gear to water toys in the cockpit's deep in-deck storage locker.
- With optional Sport Seating, bucket seats conveniently swivel 180 degrees to face aft.
- The hide-away, pull-down swim ladder's contoured steps prevent slipping when entering and exiting the water.
